

The reliable everyday vacuum cleaner - in an ergonomic and light-weight design

To ensure the machine will fit your exact cleaning application, the VP300 is available in different variants and configurations. For energy efficient cleaning our VP300 eco variant provides a great cleaning performance and a very low sound level appropriate for daytime cleaning.

- Best-in-class filling capacity which means less time spent changing dust bags
- Weighs from just 5 kg making it easy to move from place to place
- Low sound pressure level from 58 dB(A) makes the machine suitable for daytime cleaning
- High filtration level with HEPA exhaust filter
- Secure and easy to reach accessory and power cord storage
- Dual speed on selected variants for tailored use in a wider variety of applications
- Detachable orange cord on selected variants
- VP300 can be carried safely and comfortably in one hand

The Nilfisk VP300 series is a basic, well-built and durable machine that can be relied upon to do the job day in and day out. It is ideal for cleaning offices, hotel rooms, retail outlets and similar light to medium duty applications.

Picture shown may not represent model quoted

The Nilfisk VP300 series has a top rated filtration level with a H13 HEPA exhaust filter as standard on all variants. This helps maintain a high quality of air within the cleaning environment.
