

Jednoduchý kobercový extraktor, ktorý si dobre a efektívne poradí s nečistotou

With this carpet cleaner you will meet the demanding needs of cleaning midsized carpeted areas in offices, schools, airports, restaurants, hotels, malls and other heavy-traffic areas.

- It has large rear wheels and rotating front wheels that makes it light and easy to manoeuvre
- Big recovery tank meaning larger capacity for dirty water. The user do not have to empty the tank that often
- Higher pump pressure compared to competitors making sure water is spraying evenly and strongly on the carpet
- Solution tank and chassis integrated into one part making it much more robust
- You can easily empty the tank without taking off the motor

The perfect solution for dirt extraction in mid-sized areas and heavy-traffic areas
