

Handy high pressure washers with trolley for basic outdoor cleaning tasks

You can make good use of the C 125.7 X-TRA pressure washer. This machine has a max pressure of 125 bar enough to clean moderate to tough dirt.

This machine has a number of functions that cover basic cleaning needs and convenient features like trolley, hose reel on X-TRA models, storage of nozzles, lance and spray handle on the machine.

- Automatic start/ stop system along with aluminum pump makes it a reliable product.
- The compact design even with trolley, hose reel and low weight makes it convenient to move around.
- With Click&Clean connectivity a broad range of accessories ranging from nozzles, brushes, foam sprayers and patio cleaners can be attached.

The C 125.7 models are suitable for users with light to moderate cleaning tasks. If you are in need of a compact and easy to use high pressure washer with a good cleaning performance then the C 125.7 is worth considering. It is super for tasks around the house and garden such as cleaning of cars, bicycles garden furniture and small to medium sized patios.
