

AS710R is compact, powerful and simple to use medium sized ride-on scrubber dryer

The AS710R is medium-sized ride-on scrubber dryer and the perfect solution for scrubbing and drying in heavy-traffic areas. The AS710R is ideally suitable for daily indoor cleaning in middle sized areas of railway station, parking areas, shopping malls, exhibition centers, schools, hotels, public institutions and other commercial environments larger than 5000m². AS710R is ideal for cleaning all kind off floors such as tiled floor, vinyl floor, sealed wood floor, marble, concrete etc. AS710R has modern styling and it is compact, robust and easy to use. As standard, the machine is delivered with the following accessories: brush x 2, pad holder x 2, squeegee, on-board charger, and batteries 6V x 4. Front bumper and warning lamp is optional for the machine.

Simple and easy to operate: Intuitive dashboard, one touch button and userfriendly menu for operation settings. Robust and powerful: Use mechanical way to lift or lower the brush or squeegee. And the optional front bumper protects the machine for longer life-time. Reliable and safety: Automatic reduce speed control and ergonomic seat with safety switch. Built-in squeegee hanging system on recovery tank for easy machine transfer in narrow areas. Storage for cell-phone or other gadgets, USB port provides a fast solution for charging your cell-phone. An integrated on-board charger enables easy plug-in and battery charge at any outlet. Large opening to the recovery tank allows easy cleaning.
